Community Health Improvement Plan

Healthy Neighborhoods & Healthy Communities
Neighborhoods are where we live. Communities are how we live together.

Priorities

- Safe, reliable, affordable housing.
- Access to healthy food.
- Equitable access to resources.
- Ways to get around.
- Friends and support.
- Value and celebrate diversity.

Strategies

Communities identify what is important to them.

- Have access to adequate resources.
- Build partnerships.
- Make relevant decisions.

Promote well-being through change.

- Policies.
- Systems.
- Environmental.
