Prevent substance abuse
Volunteer to share your ideas.

Are you between the ages of 12–20? We want to hear from you!

If you or your friends use cannabis, alcohol, tobacco, vapor products or other drugs, sooner or later, you’ll see it affect health, school performance—even keep you from getting a job. When you join Pierce County Prevention Collaborative (PC2), you can help people and organizations in our community prevent youth substance misuse.

You talk. We’ll listen. Then we decide—together!

- Get involved.
- Help shape our youth substance use prevention program.
- Be a role model, a mentor, and a youth leader.
- Plus, you can earn a gift card!

Tell us what you think to:

- Make a difference.
- Lead by example.
- Share what’s important to you.
- Gain real-world skills.
