- No vaping e-juice on the entire property.
- No vaping e-juice in buildings 25 feet from entrances.
- No vaping e-juice in common areas.
- Not sure.

# Should Our Apartment Go Smoke-Free?

**Win a \$25  
Gift Card!**

**Return the attached survey to  
the office by Friday, Nov. 22,  
2016.**

We are working with the Tacoma-Pierce County Health Department to learn more about smoke-free housing policies and what you think of them.

Why does it matter?

- Tobacco smoke causes cancer and there is no safe amount of smoke.
- Smoke can travel through doorways, windows, wall joints, plumbing spaces and even light fixtures.
- Smoke from one unit can harm residents in other units.

What could happen?

We know a safe, enjoyable place to live is important to all our residents, which is why we want to update our smoke-free policy.

- If we change our policy we would update your current lease.
- Before we make any changes we want to hear from you!

Fill out the survey by Nov. 22, 2019 and return it to the office.

**When you return your survey you are entered in a raffle to win one of three \$25.00 gift cards.**

Thank you for your time!
