Well Drillers and Pumps

Search for Well Drillers or Pump Dealers in the yellow pages or online. Or visit Washington State Department of Ecology’s website at https://ecology.wa.gov/Water-Shorelines/Water-supply/Wells.

Certified Testing Laboratories in the Area
*We highly recommend calling the labs to verify pick up times and locations before sampling*

**We created this list based on a survey sent to several companies. We included people who responded to the survey. There are several other companies that may be able to help your water system. This is only a select number of technical providers in Pierce County. If you want us to add you to the list, contact Michelle Harris at mharris@tpchd.org or (253) 649-1801.
